This is our time...our life...our dream...

Welcome one and all to the greatest family reunion on Earth! The time is now upon us to once again open the mystic gates of the Dark Carnival to enter the utopic chaos that lies beyond. It is a place where the dull canvas of this world melts away to reveal a carnivalesque dreamscape of both wondrous sights and sounds. We have made it, which is no small feat! It has been an epic journey that has defined us as the Juggalos we are today. We have faced many foes, challenges, and personal hardships along the way...and still we stand. It is a true testament to our enlightened spirits that we can still celebrate when so many try to oppress us...still we grow stronger. Ours is a belief in something greater than this mortal realm. Ours is a belief in the bond of our family. Ours is a belief in ourselves...and no one will ever take that away. They may fear what they don't understand. They may hate because they wish they had what we have...but they can never stop us from living the lives we choose and being who we are.

This is our year...our festival...

The Gathering captures a moment when the world is as it should be...without judgment and with love and respect for your fellow ninjas. Here there exists an intangible spiritual link to all whose company you share. Look around and what do you see? Sure there is an abundance of giant carnival rides, wild parties, and celebrity artists performing on huge stages, all of which comprise this dope underground festival, but the Gathering is much more than the sum of its entertainment and music. For you see the core of the magic that exists and flows all around us, the core of the magic that is the Dark Carnival itself, stems from none other than the Juggalos themselves and from within you.

This is our family...

It is here amongst Juggalos where love exists in its purest form. It is here amongst Juggalos where we're truly equal. It is here amongst Juggalos where enjoying time spent with your homies is the greatest gift. It seems to be the simplest of things, and yet we know with certain clarity that it is the most important. There is something here that touches upon the fabric weaved into our souls and allows us to look into the very eyes of God. This is our time. This is our family. This is our lives joined together in the blink of our brief existence...where we cannot deny the simple truth that it's one of the most powerful moments in our destiny. Because surrounded by our family in this way is when we truly...LIVE, and no one who has never been a part of our world could ever understand it, let alone feel it. So live...dance...share...and laugh...For this is our time and you are far from alone. Look around you. You have found your way home.

# General Info

Don't know what the fuck's going on? No problem. Just read below to find all the core information that you will need to know about this year's Gathering.

## GOTJ Wristband

The GOTJ wristband that you purchased or received when you presented your GOTJ ticket at the Ticket Office is not to be removed at any time and is your official pass into and out of Legend Valley (you may come and go as you please). It is good for the entire duration of the GOTJ starting Wednesday July 22nd (at 7 a.m.) until Sunday July 26th (at 1 p.m.). Anyone found inside the park without a GOTJ wristband will be immediately escorted off the property. If you should lose your GOTJ wristband, you should report it immediately to the Ticket Office. This wristband grants you access to all the concerts, wrestling events, comedian shows, parties, sideshows, competitions, carnival rides, autograph signings, and much more at no additional expense.

## Vehicle Passes

No vehicles are allowed inside Legend Valley (except for in the parking lot) unless they have the appropriate sticker pass stuck to the driver side windshield (Car, RV/Trailer, or Big Balla Campsite). These may be obtained by presenting the appropriate ticket (Car, RV/Trailer, or Big Balla Campsite) you purchased online once you arrive or by purchasing one directly at the Ticket Office. These sticker passes allow you to park your vehicle at your campsite, and once there, it must remain until the Gathering ends. This will be strongly enforced to ensure the safety of all our ninjas.

Car Passes apply to vehicles ranging in size from motorcycles to full-sized vans that are not towing trailers. RV/Trailer Passes apply to any vehicle bigger than a full-sized van (no 18 wheelers) or any vehicle towing a trailer. Big Balla Campsite Passes apply to any vehicle RV size or smaller, along with whatever they are towing. All vehicle passes are good for the entire duration of the GOTJ starting Wednesday July 22nd (at 7 a.m.) until Sunday July 26th (at 1 p.m.).

## Big Balla Campsite (20 & 30 amp)

Each of these sites are roughly 25' × 50'. Any additional vehicles (besides the one with your Big Balla Campsite Pass) parked on your site will require their own Car or RV/Trailer Pass and must fit in your designated area. Keep in mind that you may also put multiple tents on your site as long as they also fit in your designated area. Big Balla Campsites are not numbered and will be on a first come/first serve basis.

This pass also allows you and up to five other people to enter the Gathering grounds one day early starting on Tuesday July 21st at 6 p.m. Keep in mind that everyone getting in early must also have a GOTJ ticket to enter, and you will be required to remain in the Big Balla campsite area until the official start of the Gathering on Wednesday July 22nd at 7 a.m.

These sites are good for the entire duration of the GOTJ starting Tuesday July 21st (at 6 p.m.) until Sunday July 26th (at 1 p.m.).

## Psychopathic All Star Experience

This highly valued pass allows one person access to the Psychopathic All Star Experience which includes the following benefits and will take place on Wednesday July 22nd from 6–7:30 p.m.:

- Meet and greet with all the Psychopathic artists (ABK, AMB, Big Hoodoo, Boondox, DJ Clay, ICP, and Jumpsteady) in the backstage area of the Big Top stage for autograph and photo opportunities all in one setting
- All you can eat buffet
- Gift bag containing the following limited edition collectors' items: VIP laminated pass, Ninjas in Action metal amulet (looks like the Hatchetman in a ninja suit), and a Dark Carnival logo flag
- The opportunity to stand on the side of the stage to watch the first artist of the Gathering perform
- The privilege of returning on Saturday night of the Gathering to be able to participate in the largest Faygo Armageddon ever seen during the climax of ICP's set on the Big Top Stage!

Once you arrive on the Gathering grounds with your ticket, you will be able to pick up all the items listed above at the Ticket Office. You will need to do this before you head backstage so that the Ticket Office can process your ticket. You will then be instructed to gather on the right side of the stage at 5:45 p.m. on Wednesday July 22nd, where you will then be escorted backstage. Keep in mind that you will still need to purchase a GOTJ ticket in order to get into the grounds.

## Parking

There is a 15-acre field located near the front entrance (off Jacksontown Road) to Legend Valley where you may park your vehicle for free. There are also accessible parking spaces (that are closer to the attractions) for ninjas with a disability license plate or parking placard.

## Camping

Once you enter Legend Valley with your GOTJ wristband, you are free to camp in any of the designated camping areas on a first come/first serve basis. These locations are marked on the GOTJ map located on the back cover of this program. Keep in mind that the Gathering staff reserves the right to move any tent, vehicle, or campfire to handle disputes or if they are located on a road, a fire lane, or an unofficial camping area. There are some key rules that everyone must follow when camping:

- All tents and vehicles must be 15 feet from any other tent, vehicle, or campfire in all directions.
- Do not camp in between any row of metal poles, as these mark fire lanes that must remain open.
- Make sure to safely contain, maintain, and extinguish all campfires.
- All vehicles at a campsite must have the appropriate vehicle sticker pass stuck to the driver's side front windshield at all times.
- Please be respectful of your adjacent neighbors, especially when it comes to excessive noise at night.

## Tear Down

After the four full days of flavor are done, it will be time to head out. Sunday July 26th is the official tear down day when everyone will be expected to be cleared out of Legend Valley and the parking lot by 1 p.m.

## Good Advice

The following are some good tips on how to stay prepared as you venture forth into the GOTJ experience:

- Drink plenty of water to stay hydrated.
- Wear hats and light colored clothing while staying in the shade to keep cool.

These pioneers of trap music routinely play at some of the largest festivals on the globe, including Coachella, Lollapalooza, SXSW, Pitchfork, and more. And now they'll be coming to the Juggalo family reunion! These mix masters will make you dance like a lab mouse on Molly when they bring their electronic-infused flavor to the Gathering. ## Dark Lotus 10:35pm

An abandoned city playground in the dead of a cold winter's eve. Five nightmarish figures slowly emerge from pools of the darkest shadows as clawed hands extend beyond the sleeves of their blood-dyed cloaks. The ominous echo of a distant siren is distorted by blocks of dilapidated cityscape as a young couple passes nervously in the street. They are unaware that they are being observed by an alien intelligence. The street lights flicker as the druids begin to move. They breathe, but no wintry wisps escape their mouths from the warmth of breath. Their hearts beat, but it is an erratic, labored, and soulless endeavor. Still they hunger, but it is for unholy nourishment that can never be satiated. They are known by a name that is only spoken when conducting occult magic of the most forbidden lore...they are DARK LOTUS!!!

This horror metal band is born from the darkest realms of the Nethervoid. Their vile instruments, crafted by demonic hands out of black jade, are tools of evil designed to inspire corruption of mind and spirit. They consist of former members of such legendary acts as Machine Head, Soulfly, and Ill Nino, but their mortal visage has since decayed, brought on by the dark influence of their current hosts. ## Ho99o9

Call it Horrorcore, call it the Wicked Shit, call it whatever you like. But true ninjas who love this style of dark and sinister music know that the artists that are believable in their music truly are the masters of their craft. "Are they really like that?" is the question people immediately ask after hearing the morbid music of Ho99o9. The answer...we truly don't know! Nobody does. Fans are drawn to the unpredictable antics and creepy chaos of their live show as they can't help but feel sucked into their psychotic sounds and violent visuals. This is not just a show, my friends, no...This is an experience of unprecedented Ho99o9!

1:30 AM

## zug Izland featuring DJ Clay

Mike P is the master producer of classic Psychopathic albums including Violent J's The Wizard of the Hood and even ICP's 6th Jokers Card The Wraith: Shangri-La. Mike P also writes the music for this incredible band. He can play any instrument, but when he plays the guitar, he can make Jimmy Hendrix and Jimmy Page hug each other and cry. Syn is the incredible lead singer. He's been compared to Eddie Vedder and Scott Wieland. But he smokes them both on stage. And adding a crazy bass-bumping, crowd jumping element to this live show is the one and only DJ Clay! How much hyper can it get? It can't! This is total rock devastation for Juggalos to enjoy.

2:30 AM

## Stitches

Stitches may be one of the most mysterious figures in music today. Are the rumors really true about him being a cocaine drug lord out of Miami? We don't know for sure but what we DO know is that the video to his YouTube hit "Brick In Yo Face" has reached over 6 million views (13 million on World-StarHipHop.com) and that he's causing quite a rumbling in the hip hop underworld (or maybe that's just the cocaine tremors kicking in). With his mouth fulla capped teeth, in-your-face delivery, and a mean mug that could scare off Satan himself, you don't wanna fuck with Stitches. But you will DEFINITELY want to check out his performance at this year's Gathering, which is certain to be epic as fuck!

3:30 AM

## Da Mafia 6ix

Recently joining with ICP to form the new super group known as The Killjoy Club and putting out their first release, The Reindeer Games, flipping many a wig throughout the Juggalo community, Da Mafia 6ix are one of the hardest, rawest, and most terrifying rap groups there ever was. They have been embraced by Juggalos because they represent what it is to be a true king of the underground music scene. They continually amaze us all with some of the dopest bangers ever heard as they continue to go 1000% when it comes to bringing it! Now they are going to set it off as they always do in what is widely regarded as one of the best live performances you will ever see.

Wednesday Night

# Carousel Stage - Thursday Night

12:30 AM

## Myzery

From the South Bronx, New York, he was raised the hard way. He's had to pay dues his entire life. He knows hardship and pain; he knows loss and disorder. And that is what makes his music so genuine and authentic. He's not a studio project. He is absolutely the real fuckin' deal. His music takes you right there with him. You can feel his struggles in every song. It's like you're actually walking with him through all his trials and tribulations. A lifelong Psychopathic Records ally, Myzery has seen the world. He's a journeyman full of stories to tell. He can rock any crowd any time, but when he's at home playing for a crowd of Juggalos? Fuckin' forget about it!

1:30 AM

## King 810

There is just no stopping this hardcore metal band as they continue to earn the respect of some of the most die-hard metal heads around the world. Their music tends to mirror their turbulent lives growing up in the violent town of Flint, MI, where frontman David Gunn was once stabbed and shot during a robbery. This is evident in some of their biggest hits, including "Kill'em All," "War Outside," and "Murder Murder Murder." Their live shows are reported to be dangerous at times with out-of-control moshing causing destruction and ultimately leading to a stop to their music until order could be restored...all the while their fans would continue to sing their lyrics even after the music was cut. So come at your own risk, for these ninjas are as real as it gets and there is something about their music that brings out the most chaotically dark side of all who listen.

2:30 AM

## Twista

Not many people on this massive planet of billions and billions can walk this earth and actually, truthfully claim to be the absolute best in the world at what they do. Well Twista can. He's in the Guinness Book of World Records as the fastest rapper/talker alive. That is an amazing feat, especially in today's day and age of high-speed choppers everywhere you turn, trying to out speed rap each other. Twista (short for Tongue Twista) has been around since the early nineties killing all competition with the flick of his tongue. Witness the world's best, the fastest rapper on the planet, Chicago's own Twista, as he shows all the choppers on earth how it's done.

3:30 AM

## Psychopathic Rydas

True gangstas for real, OGs of the game and streets. How these thugs managed to escape the FBI's gang list is beyond us. These masked Gs straight from da streets of Detroit Murderous (Bullet, Full Clip, Cell Block, Sawed Off, Lil Shank, Foe Foe, and Yung Dirt) took a short break from the drive bys and gettin' dat cheddar to do the damn thang on the stage for the Family. Best believe when they start talkin' bout "biscuits" they ain't talkin' bout a side dish, and you'd best duk da fuk down if they start dumpin'. They have one of the most intense, high-powered live performances ever seen, but you may want to strap on your bulletproof vest 'cause you never know when a stray bullet might leave the stage. Get ready to ride or die with your homies...the Psychopathic Rydas!

# Carousel Stage - Friday Night

12:30 AM

## ILL Nino

This Latin hardcore metal band which formed in New Jersey is composed of some of the greatest talents in rock including lead vocalist Christian Machado, drummer Dave Chavarri, bassist Lazaro "Laz" Pina, lead guitarist Ahrué Luster, guitarist Diego Verduzco, and percussionist Oscar Santiago. Together they form the band Ill Nino who continually perform at huge festivals and tours around the world including Ozzfest, the Jagermeister Music Tour, the Mayhem Rock Festival, and Spain's Festimad Festival to name a few. Now for the first time they are here to bless the stage with their super aggressive rock bombardment that is sure to cause a Juggalo eruption of the best kind. This is a show you are not going to want to miss as you will see why (if you don't already know) they are considered one of the greatest metal bands ever!

1:30 AM

## NOVA Rockafeller

For someone so young, Nova Rockafeller has lived through enough trials and adventures for three lifetimes. Canadian born and a resident of Jamaica for many years, Nova has channeled her many life challenges into her infectious and scrappy brand of hip hop that could only come from someone who's been to hell and back. Now living in Los Angeles and a bona fide underground music sensation, Nova's streetwise, take-no-shit attitude and flow will definitely blow your wig all the way back. And while she may be cute-as-a-button...you don't wanna fuck with Nova Rockafeller. This is a woman who spent years on the tough streets and literally living in shopping malls while being homeless. She's seen it all and done it all...except play at the Gathering of the Juggalos. Get ready to experience the deadly beauty and talent of Nova-fucking-Rockafeller.

2:30 AM

## WOLSPAC

Like the cock of a hammer being pulled back on a 357 magnum, the anticipation of a Wolfpac performance can be both exhilarating and terrifying at the same time. They are explosive and loud and possess a kick that can leave an exit wound in a crowd three times as big as the entrance. The super sexy and armed Wolfpac girls will also be flashing the crowd like the muzzle of an M16A2 on a dark night...lightening you up and causing your heart to pound as you look on in almost hypnotic wonderment. These guys bring an arsenal each and every time, so prepared to be blown away by firepower that is on par with a large navy seal team of commandos.

3:30 AM

## Madchild

If there can be only one...he would be it. This Suburban Noize Records rap demigod has proven his worth as a phenom in the underground music scene with a legacy that continues to grow only brighter throughout the years he has been holding it down. A tried and true Juggalo favorite and all-time amazing talent both on stage and in the studio, when he performs, all else at the Gathering will simply fade until there is only the brilliant all-encompassing light emitting from the center of his being, and the only sound you will hear besides the bass driven music and dope lyrical poetry from Madchild himself will be the screaming of excitement from yourself and all those around you!

## Exotic Ladies of Wrestling

Thursday Night; 12:30am - 2:30am

These tightly-clothed vixens are as cruel as they are beautiful. They are tried and true worthy combatants of the ring who will win your heart as they tear, claw, punch, and kick their way to victory. They can be soft and feminine at times as they seduce the crowd with oozing sexual charisma, but don't be fooled by their desirable demeanor or shapely bodies, for they will stop at nothing to destroy their opposition in their attempt to climb up the mountain of shattered foes to win the coveted women's JCW belt! Just make sure that when your fist excitedly pumps up and down as you watch these lovely beauties in the ring that it is above your head and not below your belt.

There is no real way to describe what you will witness at JCW's Oddball Brawl because these shows contain some of the most bizarre wrestlers on the planet competing in matches that were created by the farthest stretches of the human imagination. We're talking about Cactus to the Nuts Triple Tag Scaffold Matches, Bloody Battle Anal Explosion Matches, and everything in-between. Have you ever seen a group of small people take on a goliath weighing over 600 lbs? Well here is the place to satisfy all your twisted and dark horror fantasies all in one sitting. Prepare for wigs to be peeled and "holy shit" chants to ring through the air. This is not to be missed because it's the spectacle of all spectacles!

This is the ultimate and climatic showdown of JCW champions! Soon they will enter the squared circle for the final time to determine who among them will emerge from the shower of spraying blood, the screams of the tortured souls, and the onslaught of broken light tubes, swinging barbed wire bats, and thumbtack littered canvases to be victorious on the grandest stage of all...Bloodymania! This is a contest of skill, brutality, and extreme punishment that will leave the crowd in utter awe. Come see the best of the best as they tear each other apart to find out who in the end will be able to strap the gold upon their waist while standing in a ring littered with the bloody corpses of their fallen opponents.

## Danny KAE - The Legend Himself

Wednesday Night: 2:30am

You read about him in Violent J's bestselling book "Behind the Paint," where the Duke of the Wicked described this man as one of his biggest rap influences of all time. Every Detroit rapper, from Eminem to Kid Rock, has name-dropped this underground icon and cited him as an important part of the Motor's City rich musical history. His name is Danny KAE...and he is acknowledged as the first Caucasian rapper to make a name for himself way back in the day in Detroit Murderous. His unorthodox and wholly original brand of rapping has never been equaled, and his status as an icon is undisputed. Yet he remains as mysterious and reclusive as he is legendary...but we have tracked him down to his current base of operations deep in the tundra of Alaska and are proud to make the following announcement: Danny KAE will be performing at the 2015 Gathering of the Juggalos! Danny KAE has not performed on the US mainland in decades, making this truly a once-in-a-lifetime opportunity! This is musical history in the making...and we are proud as fuck to be a part of it. The man. The myth. The legend himself....Danny KAE!

## Deadly Medley

## Lingerie Contest Seminar Tent / Friday Night: Midnight to 1 am

Juggalettes, it's time to dig out those Frederick's of Hollywood stockings, snap on those garters, and hike up your sexiest pair of panties. Or just wear whatever makes YOU feel sexy and beautiful, even if it's a pair of Kmart cotton drawers that come four to a pack. Either way, it's time to strut your bountiful stuff at the Gathering Lingerie Contest. Leather? Lace? Vinyl? Whatever tickles your fancy (and other locations). Just put on your best lingerie and prepare to set that stage on fire with your hotness! *Prizes: First Place—\$300 in cash; Second Place—\$100 gift certificate; and Third Place—\$50 gift certificate. ## Costume Contest carousel stage / Friday: 1pm-2pm

Here is where the lines of expectable attire are blurred into comical and often unusual fashion. This contest is as if Halloween, Mardi Gras, and LSD were all put into the Power Grind Pro Juicer to create all the photonutrient diarrhea-inducing entertainment juice you can stomach. If you think you have the artistic bravado, then enter with whatever costume you can piece together or simply stop by to witness this bizarre spectacle and sink your teeth into all the chapless, string-bikini exposed, cross-dressing ass you can take. *Prizes: First Place—GOTJ Gold Plaque and \$100 gift certificate; Second Place—\$100 gift certificate; and Third Place—\$50 gift certificate. Those wishing to compete should show up at least 15 minutes before the contest begins. A private dressing area will be provided.*

## Flow Master Rap Battle

Scw Stage / Friday: 4pm-6pm / Saturday Finals: 4pm-6pm

This is where those who have mastered the riddle of steel will battle to prove their worth. It's a gladiatorial freestyle arena, where true MCs will be born in a trial of soul, blood, and tears as they fell their opponents with rhythmic words sharper than any blade. The dreams of a few will become like broken things to be trampled under the ridicule of a merciless foe, while others will continually rise in the ranks to bask in the glory of the roar of a bloodthirsty crowd. Each rapper will first freestyle to the audience for 60 seconds (the beat will be provided). The judges will then determine which 8 will move on to the final round on Saturday. The final round will then consist of an elimination-style battle where two rappers at a time will compete directly against each other with the winner of each round being determined by the judges (who will take crowd reaction into heavy consideration). This will continue until there is only one. *Final Round Prizes: First Place—GOTJ Gold Plaque and \$500 in cash; Second Place—\$200 gift certificate; and Third Place—\$100 gift certificate. Those wishing to compete should show up at least 15 minutes before the contest begins.*

## Wet T-Shirt Contest carousel stage / Friday: 3pm-4pm

Faygo exploding off of jiggling curves in a slow motion expanse of colorful glistening drops in the afternoon sun. Soaked, scantily clad Juggalettes frolicking gleefully as their laughter is lost in the drowning roar of the excited crowd. Things bounce, while others harden against cloth stretching to contain them. This is as if your fantasies came to life. Music, Juggalettes, and Faygo: what more could you ask for? *Prizes: First Place—\$300 in cash; Second Place—\$100 gift certificate; and Third Place—\$50 gift certificate. Those wishing to compete should show up at least 15 minutes before the contest begins with a white T-shirt if possible. A private dressing room will be provided.*

## 2 Tuff Tony's Fishing Tournament

Seminar Tent / Saturday: 8am-11am

Do you have a really big hard pole and aren't afraid to get it wet in deep nether regions? Do you like to shake it, fling it, and polish it while you tease fish heads with tasty treats exploding from its tip? Then this competition may be just what you desire. Join 2 Tuff Tony, who truly sleeps with the fishes in more ways than one, as he once again hosts this fishing tournament that pits man against elusive predator to see who can catch the biggest STDs of all (hey... that's "soaked tenacious denizens")! Prizes will be determined by the combined weight of each competitor's three biggest fish caught: *First Place—GOTJ Gold Plaque and \$100 gift certificate; Second Place—\$100 gift certificate; and Third Place—\$50 gift certificate. Those wishing to compete should bring all their own fishing gear, bait, and a bucket (limit of two fishing poles per competitor). Only those fish caught during the contest (and witnessed by a judge) will be counted. Those wishing to compete should show up at the Seminar Tent between 7:30 a.m. and 8 a.m. (don't be late).*

## Art Contest Seminar Tent / Saturday: NOON-1pm

Do you like sculpting DJ Clay out of clay, painting your own ass with smiley faces, or taking photos of man nipples? Juggalos, without question, are some of the most artistic ninjas on the planet and it's time for them to rise up in this muddafacko! Every artist may enter 1 to 3 visual works of art (sculpting, painting, computer graphics, photography, etc.) for this contest. A panel of judges will then rate each exhibit on technical skill, originality, and inspiration to determine who the top three winners are, which will be announced at 1 p.m. Even if you don't enter, make sure to stop by to check out all the mad fresh artwork on display! Prizes: *First Place—GOTJ Gold Plaque and \$100 gift certificate; Second Place—\$100 gift certificate; and Third Place—\$50 gift certificate. Those wishing to compete should drop off their artwork between 11 a.m. and noon and then pick them back up between 1-1:30pm. Display shelves and tables will be provided, but feel free to bring your own easels.*

## The Neden Game carousel stage / Saturday: 1pm-2pm

Do you wanna chance to win a date with a sexy Juggalette or Juggalo that will take place in the backstage (and potentially backdoor) area? Then you don't wanna miss out on what is basically an R-rated version of the classic "Dating Game" show on crack. During the two rounds of this game show, five contestants will be pulled from the crowd who will then answer revealing questions from a would-be suitor who will remain hidden from view until he or she chooses a winner. For the first round, contestants will try to win a date with a debonair Juggalo, with the second round being a beautiful Juggalette. The winner of each round will then go on a date from 8 p.m. to midnight, with their dates also acting as their personal backstage escort!

## Miss Juggalette Pageant carousel stage / Saturday: 5pm-6pm

This pageant is all about paying homage to the beauty, wit, and strength that is inherent in all our Juggalettes. It's the pinnacle of all Gathering contests, as it affords the chance for a few to display all the attributes that make our women so captivating. All who take the stage are stars, but one among them will shine brighter than the rest and be crowned this year's prestigious Juggalette Queen! This pageant is composed of three rounds: #1: Personality—where the contestants answer a question. #2: Talent—where contestants show off a skill (dancing, singing, ninjitsu, etc.). And #3: Swimsuit competition! Judges will then tally the scores from all three rounds (taking crowd reaction into heavy consideration) to determine who will become this year's Queen! Prizes: *First Place—GOTJ Gold Plaque, \$200 in cash, and a backstage pass; Second Place—\$200 gift certificate; and Third Place—\$100 gift certificate. Those wishing to compete should show up at least 15 minutes before the contest begins and bring their own swimsuit (or comparable attire) with them. A private dressing area will be provided as well as any music needed for the talent round.*

All those that want to do so should bring their items to the Seminar Tent on Friday between 10 and noon, where they will be tagged and put on display (you decide the starting bid). Please note that the Gathering is not taking a cut of any sales made and is only hosting this auction as a means for Juggalos to auction off and buy rare items presented by other Juggalos. Also keep in mind that this auction accepts cash only. So whether you're auctioning items or not, make sure to stop by to peep out all the rarities up for bid.

## SMALL DJ CLAY LET 'EM BLEED VOL 4 BANNER

This small 2' wide by 1'9" tall colorful banner features DJ Clay's Let 'Em Bleed: The Mixtape Volume 4 album cover art showcasing Psychopathic artists featured on this album as super hero characters. It has slight nicks on its surface but otherwise would make a really nice wall decoration that pays homage to a great album.

## SIGNED CD BUNDLE

This CD bundle features four CDs that have all been signed by their respective artists. This auction item includes Twiztid's rare End of Days tour EP and "Story of Our Lives" single, Boondox's Punkin' album, and DJ Clay's "Let 'Em Bleed Volume 1." Here is your chance to complete your collection with some dope CDs presigned by some of your favorite artists. How convenient!

## LARGE FRAMED TWIZTID FREEK SHOW PICTURE

This large promotional flat of Twiztid during their Freek Show era has been showcased in a beautiful custom made frame. It captures a nostalgic moment in the history of one of the greatest Horrorcore groups of our time. Seeing as the frame itself cost around \$150, it will be interesting to see if someone can walk away with this dope item on the cheap.

## AMERICAN PSYCHO TOUR FLAG

This extremely rare flag is one of about eight that were used as props during the American Psycho Tour with ICP, Twiztid, and Blaze. It measures 4'11" wide by 3' tall and is in near mint condition. Grommets along the edges make this item easy to display anywhere, and it is sure to spark conversation with all who see it chillin' at your crib. This flag not only represents Psychopathic Records but also Juggalo Pride and is a rare reminder of one of the greatest tours to ever blaze a trail across the U.S.

## SHAGGY 2 DOPE'S ACTUAL DREADLOCKS FROM 2004

I know you're like...what the fuck? Yes it's true...these ten dreadlocks were actually cut from Shaggy 2 Dope's head during the Shangri-La/Hell's Pit era and consist of his real hair (no weave here). They were then for some reason put in a Ziploc bag by Shaggy and kept in one of his closets for all these years. Just think, with technology advances in today's science, one day you might even be able to utilize the DNA found in these strands to actually clone replicas of the man himself! So don't sleep on this one of a kind item that is truly bizarre, slightly disturbing, and amazing at the same time.

# Auction Items

## 2 TUFF TONY

No, your eyes do not deceive you. We are actually auctioning off the former longtime JCW champion! Here is your chance to chill with your Juggalo homie and all around good guy between the time you win this bid until 9 p.m. that night. Don't bother asking him to do menial labor because he is not a slave per se, but he will escort you and a few of your homies backstage if you want, chill with you at your campsite as he shares stories of his many adventures, and drive you around in his golf cart so that you can get to all your Gathering events quickly and efficiently. Again... don't ask for a foot massage unless you wanna get a corkscrew from the top rope, but he might cut a promo video for your Facebook...if you ask nicely.

## GIANT PSYCHOPATHIC FAMILY VINYL STICKER

This one-of-a-kind giant (4' wide by 3' high) vinyl sticker was made to be put up in the Lotus Pod studio about five years ago but then was never used because there was no more room left on the walls after all the gold and platinum plaques were hung. It features the entire Psychopathic Records artist roster at the time it was made and captures a moment that remains dear to many a Juggalo's heart. Here is your chance to own a truly rare artifact that pays homage to a great time in the history of the label.

## OLD SCHOOL MAGAZINE AND NEWSPAPER COLLECTION

This is a collection of some of the magazines and newspapers that have run stories about Psychopathic artists over the years and is a must-have for the serious collector. This includes Circus (ICP cover) June 2000 / Real Detroit (ICP cover) November 2002 / Real Detroit (ICP cover) November 2003 / My Time (ICP cover) August 2007 / Play (ICP Cover) October 2007 / Detroit Free Press Entertainment (ICP cover) October 2009 / Real Detroit (ICP cover) November 2009 / Murder Dog (ICP cover) 2009 / Murder Dog (Twiztid cover) 2009 / The Detroit News (ICP Feature) January 2010 / Metrotimes (ICP cover) August 2012 / Murder Dog (ICP cover) 2012 / Rebel Ink (ICP feature) 2013 / Metrotimes (ICP cover) January 2014 / SN&R (FBI lawsuit cover) January 2014 / Horrorcore Magazine (Boondox cover) April 2014 / Toledo Free Press (ICP cover) May 2014. That's 17 items in all, many of which you won't be able to find anywhere else but here.

## BIG MONEY RUSTLAS BANNER and DVD

This colorful and entertaining 4' wide x 5'7" high banner was created for the movie premier that took place at the Fillmore in Detroit, Michigan. It is one of a few banners that were ever made. The only other one we know about is hanging in Violent J's home. It's in great condition and would make an awesome decorative piece that can be mounted anywhere. Don't miss your chance to walk away with not only an amazing looking banner but also a piece of movie magic history.

## SHAGGY CUSTOM MADE JERSEYS (3)

These three custom made jerseys were created and worn by Shaggy 2 Dope at one time or another. They have since been hanging in a closet for an unknown amount of time and now find their way to this auction. All three have "Shaggy" embroidered on the back (the white Jersey has a slight stitching flaw). Each one is 3XL in size and is otherwise of high quality.

## TWO PSYCHOPATHIC RYDAS BANNERS

These awesome Psychopathic Rydas banners from the Eat Shit and Die era are amazing to look at to say the least. The first is a one-of-a-kind, huge stage banner (13' wide x 7'9" high) that was used several times during past Gathering performances. The other is smaller at 2' wide by 2'9" tall and makes for a perfect size to hang anywhere on a wall or door. They are a unique piece of history. So here is your chance to own items from the legacy of one of the most wanted groups on the planet.

## MYSTERY BOX

This year's mystery box is curiously small, measuring in at about 3" by 3" by 2" deep. What could be inside? Well just about anything that's not bigger than a pair of rolled up socks....that's what makes it a mystery. We are not promising anything because this is a true gamble, as it could be the total bone or the total benefit. It's all up in the air! Last year's mystery box went for over \$3000! The question is...how far are you willing to go in the bid to find out what's inside?

## LARGE BANG! POW! BOOM! BANNER WITH PROOF SHEETS

This mint and never used large Bang! Pow! Boom! promotional banner measures 4'6" wide x 6'5" tall. As far as we know, it's one of a kind because we have never seen it before and no one really knows why it was made in the first place (we found it lost and discarded on a high shelf here at the warehouse). It's a unique, colorful piece of art that pays homage to a great album and is perfect to put up in your home to flip your homies' wigs. Also included are the one-of-a-kind Bang! Pow! Boom! CD insert proofs that were sent by the manufacturer for ICP's approval of the final album layout. Here it is all for the taking...as long as you can come out on top of the bid.

## RAW STANK BIG MONEY RUSTLAS OUTFIT

Holy shit!!! This is the original and one-and-only outfit worn by Jamie Madrox aka Raw Stank in the Juggalo classic movie Big Money Rustlas. It includes the following items: gray bowler hat, light blue money sign vest with gold back, pale yellow dress shirt, black bow tie, black and gray striped dress pants, black belt with Blaze buckle, two belt chains, and blackish brown dress shoes with tan highlights. Please note that the cowboy hat is the only item not part of the original outfit. Of interesting note is that the pants have an actual hole burned through them where Jamie accidentally shot himself with a blank round (yes, the scene in the movie was not planned that way), resulting in a minor burn wound to his leg. This item is without question un-fuck-witable! It's something you might even say is priceless.

## DUSTY POOT BIG MONEY RUSTLAS OUTFIT

Stop playin'!!! This is the original and one-and-only outfit worn by Monoxide aka Dusty Poot in the Juggalo classic movie Big Money Rustlas. It includes the following items: black bowler's hat, black bandana, burgundy suede jacket, burgundy suede vest, blue dress shirt, blue striped dress pants, black leather belt with clown face buckle, belt chain, brown boots, and even comes complete with his pink polka dot underwear! Please note that the cowboy hat is the only item not part of the original outfit. This along with all BMR costumes up for bid this year are the ones the stars wore the entire movie! Some say we are insane for even giving up such rare artifacts...and perhaps we are. Don't miss your chance to own one of these amazing outfits that are iconic both on and off the screen!

# Auction Items

## UNRELEASED ICP SONG

You're straight up not going to believe this shit! Here you have a never before released Insane Clown Posse track (4 min 17 seconds long) featuring Violent J and Shaggy 2 Dope for bid! This song is a complete original and will never be released on our end. This flavorful track entitled "Burning Abandoned House" is a song about ICP describing themselves as flames consuming an abandoned house. It comes on both a CD (signed by ICP) and USB wristband thumb drive, and you can do whatever you want with it...keep it to yourself, sell it, or share it with the world. This kind of auction item will probably never be seen or heard of again...ever!

## LARGE HANDMADE VIOLENT J "THE JUGGLER" BANNER

This item was airbrushed by an artist on cloth and is an amazing piece of carnivalesque art. It measures 4" wide by 7'5" tall and depicts Violent J as "The Juggler." It was used as a stage prop for the legendary Shangri-La tour, and there were only two ever made, neither of which look exactly the same since they were both done by hand. This is by far one of the hottest items we have at the action this year...period!

## LARGE HANDMADE SHAGGY "SOUTHWEST STRANGLER" BANNER

This is the partner to the Violent J "The Juggler" banner and shares an identical description except it depicts Shaggy 2 Dope as the "Southwest Strangler." This is a masterful work of art that would look amazing displayed in any home. Since it shared the stage with ICP during the Shangri-La tour, it also has a history that makes it far more valuable. This is a devastating item that was really hard to even part with on our end, but it brings us some solace knowing that some lucky ninja will be able to enjoy it till the end of time.

## SUGAR WOLF BIG MONEY RUSTLAS OUTFIT

This awesome ensemble truly belongs in a museum! This is the original and one-and-only outfit worn by Shaggy 2 Dope aka Sugar Wolf in the Juggalo classic movie Big Money Rustlas. It includes the following items: brown cowboy hat, brown corduroy jacket, sheriff's badge, brown vest, blue denim shirt, light gray undershirt, brown corduroy pants, belt with buckle, yellow work gloves, brown cowboy boots, and even included is Sugar Wolf's brown wig! Please note that the cowboy hat is the only item not part of the original outfit. Not sure if this would be considered a benefit or bone, but all BMR costumes have never been washed since the last shoot day. On ICP's outfits, you can still see the marks left by their makeup! This is an amazing item that is almost unfathomable to think you could actually own.

## BIG BABY CHIPS BIG MONEY RUSTLAS OUTFIT

Booyah, son! This is one of the main outfits worn by Violent J aka Big Baby Chips in the Juggalo classic movie Big Money Rustlas. It's one of a kind. It includes the following items: black cowboy hat, purple velvet long coat, burgundy and gold ascot tie, black bow tie, burgundy and gold vest, burgundy shirt, black pants, pair of studded armbands, black cowboy boots, and even comes complete with his pink polka dot underwear! Please note that the cowboy hat is the only item not part of the original outfit. This along with all BMR outfits are by far the crème-de-la-crème of this year's Psychopathic Auction, and we may never again have items on par with their flavor. Here is your chance to truly own an amazing piece of cinematic history!
