GATHERING OF THE JUGGALOS

GATHERING OF DREAMS

In a dream we can live a thousand lifetimes in the space of a heartbeat, accomplish heroic feats, soar on the winds of imagination, conquer fantastical worlds and embark on epic quests...all within a breath. Dreams are inspired by our greatest loves, hopes and desires. Now we present to you a place and a time where dreams become reality and reality becomes but a dream. Where nightmares walk among us, as anything and everything becomes possible, and all wishes become fulfilled. Welcome to the 22nd annual Gathering of the Juggalos, which is...the Gathering of Dreams! The gates to Shangri-La on Earth have once again opened wide as we welcome our entire Juggalo Family to join together for the Greatest Family Reunion on Earth! This 4-day outdoor music festival features concerts, sideshows, late night parties; wrestling, competitions, seminars and so much more; where you are free to camp the entire time and free to have your wildest dreams come true!

This year will be the ultimate experience, for each day of the festival has been created by either Violent J, Shaggy 2-Dope, Jumpsteady or the Juggalos. On their given day they have chosen every artist who will be performing and all the entertainment that you will get to enjoy. The only limit to their design being their imagination! So, this year's festival promises something that we have never seen before because so many have had a hand in creating a Gathering where dreams really can and do come true! So, join us as we celebrate the love of our Juggalo family as we awaken to a new horizon of freshness never seen before!

WELCOME...
TO THE GATHERING OF DREAMS

GENERAL INFO

BELOW IS ALL THE IMPORTANT INFORMATION FOR THIS YEAR'S GATHERING OF THE JUGGALOS (GOTJ)!

LEGEND VALLEY

Legend Valley is a 130-acre privately-owned and fenced-in outdoor music venue, located at 7585 Kindle Road, Thornville, Ohio 43076. It is operated by a super dope family that has an understanding and respect for our Juggalo family. There is enough camping space to allow all attendees to camp directly on the grounds for a truly 24-hour experience.

GOTJ TICKET / WRISTBAND

The GOTJ wristband that you receive with a ticket purchase is not to be removed at any time and is your official pass into and out of Legend Valley (you may come and go as you please). It is good for the entire duration of the festival starting Wednesday, August 3rd (at 8am) until Sunday, August 7th (at noon). This wristband grants you access to all the concerts, wrestling events, parties, sideshows, competitions, seminars, and much more, at no additional expense to you. Under no circumstances will a replacement wristband be issued for any that has been damaged, lost, or stolen.

VEHICLE PASSES

No vehicles are allowed inside the camping areas of Legend Valley unless they have the appropriate sticker pass stuck to the driver side windshield (Car, RV/Trailer, or Big Balla Campsite). These sticker passes may be obtained by turning in the appropriate ticket you purchased once you arrive. They allow you to park your vehicle at your campsite, and once there, it must remain until the Gathering ends. This will be strongly enforced to ensure the safety of all our ninjas.

Car Passes apply to vehicles ranging in size from motorcycles to full-sized vans that are not towing trailers. RV/Trailer Passes apply to any vehicle bigger than a full-sized van (no 18 wheelers) or any vehicle towing a trailer. Big Balla Campsite Passes apply to any vehicle RV size or smaller, along with whatever they are towing. All vehicle passes are good for the entire duration of the GOTJ starting Wednesday, August 3rd at 8 am until Sunday, August 7th at noon.

Keep in mind that all passengers of these vehicles must also have GOTJ wristbands to enter and they must remain inside the vehicle while it's moving. Under no circumstances will a replacement sticker be issued for any that has been damaged, lost, or stolen.

BIG BALLA CAMPSITE (20 AND 30 AMP / NO WATER)

Each of these sites are roughly 20' x 50'. Any additional vehicles (besides the one with your Big Balla Campsite Pass) parked on your site will require their own Car or RV/Trailer Pass and must fit in your designated area. Big Balla Campsites are not numbered and will be on a first come/first serve basis. If you wish to have a Big Balla Campsite adjacent to a friend, then you will need to make sure both vehicles enter the park together.

This pass also allows the vehicle with the Big Ballas Campsite pass and passengers (up to 6) to enter the grounds one day early starting on Tuesday, August 2nd at 6pm. Keep in mind that everyone getting in early must also have a GOTJ ticket to enter, and you will be required to remain in the Big Balla campsite area until the official start of the Gathering on Wednesday, August 3rd at 8am. If you plan to have any other vehicles stay at your Big Balla Site, then they will need to enter the grounds on August 3rd at 8am.

ICP'S VIP EXPERIENCE

This highly valued pass allows you to have a special private meet-n-greet with the Insane Clown Posse themselves! With this pass, you will have an opportunity to share words, get autographs and take photos in a special VIP tent! Not only that but each ninja that purchases ICP's Experience will also receive a gift bag containing the following items:

- VIP Experience Laminated Pass
- ICP's Super Mix Juggalo Juke Box Amulet
- ICP's New Clowns on the Block, Hanging Nutz CD Single
- Cherry Faygo Cola Flavor Blunt Wrap.

Once you arrive at the Gathering, go to the Info Tent (with a picture ID) 15 minutes before your scheduled date and time for your VIP experience, and you will be able to pick up your gift bag. Afterward, you will be escorted to the VIP tent to meet with ICP. Make sure to keep your VIP Experience Laminated Pass with you, as this will act as your ticket. Also, keep in mind that you will still need to purchase a GOTJ ticket to get onto the grounds.

ICP'S HUNT FOR BIG SMOKE

Join ICP as they search the backwoods of Ohio on a quest to find the legendary sasquatch known as Big Smoke! It is rumored that this savage creature stands over 10' tall and has been the reason that over 200 people have gone missing in the area in the last 15 years. ICP will be your guides on this hour-long hay wagon ride through the dark woods where Big Smoke has been said to lurk. Will you be able to spot this deadly creature? If you do, will you be able to survive to tell the tale? If you are lucky enough to land a ticket for this epic adventure, you will also receive the following:

- A gift bag containing the following:
 - ICP's Hunt for Big Smoke Laminated Pass
 - ICP's "Hunt for Big Smoke" Collectible CD Single (only 300 made)
 - Big Smoke Amulet
 - Hatchetman Key Chain
- A quick Meet-and-Greet experience with ICP just before the hunt begins.
- The privilege of participating in the Faygo Armageddon on either Thursday or Saturday Night (depending on which ICP's Hunt for Big Smoke you purchased) during the climax of ICP's set on the main stage!

Once you arrive at the Gathering, go to the Info Tent (with a picture ID) 30 minutes before your scheduled date and time for your ICP's Hunt for Big Smoke, and you will be able to pick up your gift bag. Afterward, you will wait to be escorted backstage to board the hay wagon to begin your adventure. Make sure to keep your ICP's Hunt for Big Smoke Laminated Pass with you, as this will act as your ticket. Also, keep in mind that you will still need to purchase a GOTJ ticket to get onto the grounds.

PARKING

There is a 15-acre field located near the front entrance to Legend Valley where you may park your vehicle for free. **Keep in mind there is NO CAMPING ALLOWED IN THE PARKING AREA!** Due to fire codes, any campsites set up in the parking lot will be moved (go to the Info Tent for help locating your stuff if this happens to you).

CAMPING

Once you enter Legend Valley with your GOTJ ticket, you are free to camp in any of the designated camping areas on a first come first serve basis. These locations are marked on the GOTJ map. Keep in mind that the Gathering staff reserve the right to move any tent, vehicle, or campfire, to handle disputes, or if they are located on a road, or an unofficial camping area. There are some key rules that everyone must follow when camping:

- All tents and vehicles must be 15 feet from any other tent, vehicle, or campfire in all directions.
- Do not camp in-between any row of metal poles, as these mark fire lanes that must remain open.
- Make sure to safely contain, maintain, and extinguish all campfires.
- All vehicles at a campsite must have the appropriate vehicle sticker pass placed on the driver's side front windshield at all times.
- Please be respectful of your adjacent neighbors, especially when it comes to excessive noise at night..

ADA ACCOMMODATIONS

We will be working to ensure all Juggalos have access to all the entertainment and services, regardless of ability. The following is a list of ADA accommodations.

- **ADA PARKING:** Vehicles with a valid Disabled Person Parking Placard will be allowed to park in the ADA parking area, which is the closest parking location to the stages available.
- **ACCESSIBLE BATHROOMS:** Located throughout the grounds are accessible port-a-johns.
- **WHEELCHAIRS & ADA SCOOTERS:** Bringing personal forms of ADA transportation are encouraged for those with disabilities, including wheelchairs and ADA scooters. Please keep in mind that there are no paved roads throughout Legend Valley. Also, due to serious safety concerns, no golf carts, minibikes, or other motorized vehicles will be permitted under any circumstances.
- **ADA TAXI SERVICE:** We have dedicated several 24-hour-a-day golf cart taxis to assist those with disabilities in getting around the park. (Please ask for the ADA taxi cell phone number at the Box Office or Info Tent if you need this service.) Please do not call for this taxi unless you truly need assistance getting around, as you would be depriving others who rely on this service.
- **CHARGING:** If you need to recharge your wheelchair or any medical-related equipment, you can do so at the Recharging Tent (next to the Info Tent). Please bring all the cords needed to charge your device; charges must use a 110-volt, 20-amp circuit.

INFO TENT

This helpful tent is staffed 24 hours a day by Gathering staff to assist anyone with any questions, concerns, or problems they might have. The people working here are connected via radio to all the event coordinators, and have the power to either help you directly, or get in contact with those who can. The Info Tent also provides the following other services:

- Information (including event times) and problem-solving capabilities.
- Copies of GOTJ maps and event timelines.

Security personnel will be located all throughout the Gathering grounds as well and will be there to help you if needed. Their purpose is not to restrict people's fun, but rather ensure everyone is acting in a safe and non-destructive manner while at the Gathering.

RULES

The following is a list of key rules to help keep everyone safe and ensure a good time for all. We ask that everyone respect the property of Legend Valley. The family that has allowed us into their home are good people, who have not only opened their arms to us, but have also proven to have a complete understanding and respect for our family. We also ask ninjas to refrain from showing up early to the Gathering.

- No selling of illegal substances or the breaking of any other laws.
- No underage or excessive drinking, or substance abuse.
- **NO GOLF CARTS, MINIBIKES, FOUR-WHEELERS, OR MOTORIZED VEHICLES.**
- No sitting on top of any moving vehicle or trailer.
- Children must be supervised by adults.
- No vandalism or destruction of property.
- No cutting of trees, damaging plant life, or hurting wild animals.
- The speed limit while on the grounds is 5mph.

- Wear hats and light-colored clothing while staying in the shade to stay cool.
- Bring warm clothing for nighttime (it can get chilly).

BOTTLE FILL STATIONS

CONVENIENCE STORE

This 24-hour store will strive to meet all of your basic needs, by supplying an abundance of useful items. You will find such items as condoms, disposable cameras, over-the-counter medications and much more.

SHOWER TRAILERS

These two shower trailers are located by the Joke Ya Mind stage. One will be designated for females and the other for males. They operate all day long except from the hours of 4am to 8am.

TEARDOWN

After the four full days of flavor, it will be time to head out. Sunday (August 7th, 2022) is the official tear-down day, when everyone will be expected to be cleared out of Legend Valley and the parking lot by noon.

PSYCHOPATHIC AUCTION ITEMS

LOT #1

PSYCHOPATHIC SIGN & GOTJ JERSEY

This 24"x 6" sturdy metal sign is truly a sign of the times! It hung in the Psychopathic Warehouses for almost 30 years. It earned all the scratches and dings on it! Just for flavor, you will also get a 3X Hockey Jersey from GOTJ 21.

LOT #2

THE LAST OF TWIZTID

We still have some flavor from Twiztid's time with Psychopathic, and here's the last of it! Lot includes a 24"x37" framed poster, nicely fold creased, so you don't have to do it! A 36"x 23" framed foam core poster that hung in the Psychopathic office (which explains the slight damage it does have). An 11"x 17" Venue Poster from New Year's Evil 4. A Comic Book, and a bunch of 12"x 12" Store Promo Posters.

LOT #3

GLOWN DRIPPIN' POGO STICKS

These 2 pogo sticks were decorated for, and used in, ICP's 2021 Clown Drippin' Music Video! Nicely broken in by Shaggy 2 Dope and various ninja clowns.

LOT #4

VIDEO STORYBOARDS

These storyboard packets were used by cast and crew to film 3 different music videos: ICP's Explosions from 2015, Violent J's Jealousy from 2009, and Twiztid's Hahahahaha from 2009. They include video scenes hand-drawn by the directors of the videos, and come with protective coverings.

LOT #5

FAYGO BREAK JERSEYS

Talk about rare! These one-of-a-kind jerseys were custom-made for Psychopathic artists, but were never worn, so they're in perfect condition. Lot includes 2 black jerseys, an XL for Shaggy 2 Dope, and a 2X for Jumpsteady.

LOT #6

This lot includes 12 magazines in protective bags and boards, and every one of them contains an article or interview featuring ICP or another Psychopathic artist. Includes: Murder Dog Vol 13 #'s 1 & 3, Vol 14 #'s 1, 2, & 4, Vol 16 #2 & 3, and Vol 19 #2. Wired from Dec 2010, Horrorcore Magazine Oct 2014, Caustic Truths #110, and Rebel Ink #20, 2013.

This vinyl banner was used by Psychopathic Records during the Yum Yum Bedlam era. It's 8'x 8' and has gromets to hang it by.

LOT #8

COTTON CANDY JERSEYS

These Hockey jerseys were custom-made for ICP and Jumpsteady, but were never worn, so no sweat stains or wet spots! Lot includes 3 jerseys, a 4X for Violent J, a 2X for Shaggy, and a 3X for Jumpsteady. Now you can proudly rock their names on jerseys with cartoon cotton candy nedens, and popsicle wangs!

LOT #9

ANY GOTJ BANNER YOU WISH!

This one's all up to you! The winner gets to pick ONE banner hanging at the 2022 Gathering of the Juggalos! Winner gets an official certificate showing they won the lot, which they must present to the Info Tent on Saturday night after 1AM and tell them which banner they want. Winner may only select banners that are ICP, Gathering of the Juggalos, Dark Carnival Games or Psychopathic Records related. NO banners from other artists are eligible.

LOT #10

PSYCHOPATHIC ARTISTS PROMO FLATS

This lot includes 15 different Promotional Flats used by Psychopathic, and an actual photo of ICP signing their contract with Jive Records, which was given to them by the label—one of only two in existence! The flats are on light cardstock or poster paper, measure 8.5"x 11", come in protective bags and boards, and range from Inner City Posse to Hell's Pit. The Big Hoodoo one is 3D holographic!

PSYCHOPATHIC AUCTION ITEMS

LOT #11

PRESS KITS AND ONE-SHEETS

Press Kits are 2-page pamphlets made by Psychopathic ninjas to promote projects within the music business, and this lot includes 1 each for Psychopathic Records, Big Money Rustlas, Shaggy 2 Dope, and Twiztid, and 2 for ICP. The 10 One-sheets were also made internally, to sell albums to industry buyers, and guide the promotional effort for the project. Lot includes a Red Distribution catalog with Tech N9ne on the cover and an ABK ad inside. All items are 8.5"x 11", made of light cardstock, and come with bags and boards.

LOT #12

TOUR BOOKS

Ever wanted to see what it takes to Tour Manage ICP? These Tour Books are made of spiral-bound paper in with card or plastic covers, with protective bags and boards, and contain all the necessary info for each tour date. These are the very things Billy Bill uses to keep a tour going! Lot includes ICP tours from 2000, 2003, and 2009, and the Psychopathic All-Stars Tour from 2005.

LOT #13

VIOLENT J VESTS

Now you can rock 2 fresh embroidered denim vests custom made for Violent J and worn on tour and in photoshoots in 2010! The one with the red Hatchetman is a 6X, and the one with the sequined Hatchetman is a 4X. Both are in great shape with very little wear.

LOT #14

ICP'S SEQUINED SHOW CLOTHES

Shiny! This lot includes two full outfits worn by Violent J and Shaggy 2 Dope at the 2021 Gathering, and the 2021 New Year's Eve show in Detroit. Both outfits consist of a button-down Work Shirt and Cargo Pants. All items are Dickies and customized with fabric and sequins. Shaggy's also comes with a sequined cape!

LOT #15

ICP'S OG FRAMED ADS AND POSTERS

Direct from Psychopathic's collection comes a batch of framed items from ICP's history and the walls of Psychopathic Records! We've got a Newspaper ad from 1995 promoting the 2nd Hallowicked and Riddlebox, a poster put out by Alternative Press promoting the June 1999 Issue, a cover and page from Brag magazine in 2003, and a 2-page spread from the Detroit Free Press in 2009.

LOT #16

RED JUGGALO JUICE JERSEYS

And now, three one-of-a-kind custom-made red hockey jerseys rocking the Hatchetman and a Faygo bottle! There's an XL for Shaggy, a 2X for Violent J, and a 2X for Jumpsteady complete with their names and Juggalo Juice on the back. These beauties were never worn, so they're in new condition.

LOT #17

FRAMED OFFICE JERSEYS

The Psychopathic Office has shown the history of the Dark Carnival on its walls, and here's two items that go way back. These two framed jerseys come from the earliest days of Psychopathic merchandise, and were framed to commemorate their freshness!

LOT #18

JUMPSTEADY'S MILENKO GOLD PLAQUE

In an effort to present worthy items for this year's auction, Jumpsteady is giving up a truly rare and much sought after gem. Only the freshest of the fresh can get a framed, certified plaque from the RIAA, and now you can join the ranks. Jumpsteady earned this one for his superior efforts in helping The Great Milenko reach Gold status. He's got a Platinum one, too, but he's keeping it!

LOT #19

BMR HACK BENJAMIN COSTUME

Anyone who's seen an ICP movie knows this legendary character, and Jumpsteady has reluctantly decided to offer up his full hook-up from Big Money Rustlas. This "holy shit" lot comes with custom-made flavor including a cloak, hat, belt, pair of boots, gloves, leg and arm coverings, cattle head belt buckle and more! If there were ever to be an ICP Museum this should be place near the entryway. You can wear it, but can you really pull off this imposing figure!?

LOT #20

VIOLENT J DARK LOTUS JERSEY

This size 3XL custom-made, vintage jersey was stage worn by Violent J himself during the Hatchet Rising Tour back in 2001! Only a handful of these jerseys were ever made (for Dark Lotus artists only) and it should be considered a holy grail for any serious Juggalo collector! Violent J also wore this jersey during a few Detroit wrestling shows and has his actual face paint on the front and back. It is the pinnacle anchor to this year's devastatingly fresh Psychopathic Auction!!!
